

Example tables for debts

Debt Summary Table

Instructions for Debt Summary Table:

Collect all the information you have about your debts.

Under the headings shown on the table, put relevant information.

Record all the information until you have a complete summary of what you owe and who you owe it to.

Debt Payment Table

Instructions for Debt Payment Table:

Work out your budget and what you can offer creditors.

Record the amounts agreed to with each creditor.

Record the date that the agreed payments are due.

Debt Progress Table

Instructions for Debt Progress Table:

You will need a separate Debt Progress Table for each debt.

As each payment is made, record this on the table under the relevant heading.

Lift tables out carefully from booklet leaving the staples in place! Photocopy for your use or use to help you design your own.
