

WORKSHOP

LET'S TALK ABOUT FINANCIAL ABUSE

Financial abuse is a serious form of domestic and family violence and can occur in a new or long-term relationship or by a family member.

Care Financial Counselling Service and the Consumer Law Centre, in collaboration with the Women's Legal Centre, will be delivering a workshop for sector workers working in government or non- government services.

This half day workshop will provide you with training to enable you to support clients impacted by financial abuse and will provide you with skills including:

- ✓ Identifying red flags of financial abuse
- ✓ Broaching concerns about financial abuse with clients
- ✓ Options available to clients to respond to financial abuse
- ✓ Where to refer clients for further support including legal and financial counselling
